

**TOMAVISION** now offer the opportunity to any international company to take advantage of this new service work tax rebate based on a minimum expenditure of **200.000** euros.

You no longer need to spend a minimum of one million euros to benefit from this Tax Rebate.

As such, you can now commission smaller portions of work that amounts to 200.000 euros, such as: Scripting, Storyboards, Animatic, Animation 2D and 3D, Layout and Compositing, ink & paint, backgrounds, voice over, music, etc...
